SOCIAL MEDIA & DIGITAL MARKETING SPECIALIST

CDATA-driven marketer with 4+ years of experience in social media marketing, brand activations, and content strategy. Skilled in executing full-funnel campaigns, analyzing performance, and driving engagement through data insights and cross-functional collaboration.

Professional Experience

Ravi's Import Warehouse

Marketing Lead – Digital & Social Strategy

January 2024 – Present

- Execute multi-platform social campaigns driving brand awareness and engagement
- Manage content calendars, publishing workflows, and social approvals
- Track and analyze campaign performance, KPIs, and ROI to optimize results
- Collaborate cross-functionally with vendors, agencies, and internal teams on brand activations and campaigns
- Lead execution of trade shows and marketing events, including creative, logistics, and promotions
- Identify consumer trends and insights to improve campaign effectiveness
- Execute full-funnel campaigns across paid, owned, and earned channels, ensuring alignment with brand and business objectives
- Partner with cross-functional stakeholders to manage approvals, toolkits, and campaign deliverables across multiple workstreams

Technource

Digital Marketing Specialist

July 2024 – November 2024

- Managed social media strategy and content execution across platforms
- Executed email marketing campaigns and automation workflows
- Analyzed campaign data, audience insights, and performance metrics
- Developed customer-focused messaging and brand positioning
- Supported cross-functional campaign execution
- Contributed to campaign planning and execution from brief to launch, ensuring timely delivery and performance tracking
- Synthesized data insights and campaign reports to inform optimization and improve engagement outcomes

Im's People Possible

Marketing Associate

September 2023 – July 2024

- Executed integrated marketing campaigns across digital, print, and social channels
- Created marketing content (brochures, newsletters, ads, case studies, social assets)
- Conducted market research and competitive analysis
- Managed website content and performance tracking (analytics)
- Ensured brand consistency across channels
- Supported content partnerships and branded campaigns, aligning messaging with audience insights and brand positioning
- Monitored campaign performance and engagement metrics to refine strategies and improve effectiveness

Grab The Site

Marketing Internship

August 2021 – August 2023

- Leveraged data insights, KPI tracking, and performance analysis to optimize social campaigns and improve engagement and ROI
- Executed full-funnel social campaigns across paid, owned, and earned channels, from content planning to launch and post-campaign analysis
- Partnered cross-functionally with internal teams, external agencies, and stakeholders to deliver integrated marketing programs and brand activations
- Monitored cultural trends and audience behavior to create relevant, high-performing content that strengthened brand positioning
- Managed content calendars, asset approvals, and campaign timelines to ensure consistent, on-brand execution across social platforms
